Contract paving projects				
The \$4.7 million contract paving project on NE Sandy Boulevard was completed in 2012.				
NE Sandy Boulevard from NE 47th Ave to NE 82nd Ave	2-Apr-12	3-Aug-12	9.87	\$4,700,000
One notable project for next year is the Division Streetscape project, an estimated \$5.8 million project (including \$3.3 million local funding) that begins with sewer work in October 2012 and ends with street paving in October 2013. The project is on SE Division Street from SE 11th Avenue to SE Cesar Chavez Boulevard. This work will be contracted out. Note that of the total \$5.8 million project cost estimate, we don't yet know the paving costs.
