

Regional Trails Advocates Forum

The 40 Mile Loop Land Trust and **The Intertwine Alliance** warmly invite you to attend our first Regional Trail Advocates forum! Our organizations are teaming up to help develop a grassroots coalition of individual citizens from across this region who are looking to build the network of trails that make up our shared vision for a regional network of trails throughout the Portland/Vancouver metropolitan area.

This event will be a great opportunity to **learn more** about how citizens can get involved with trail advocacy for planned regional trails, **connect with** volunteers and staff at the 40 Mile Loop Land Trust and The Intertwine Alliance, and to **meet other advocates** from the region working on our future network of trails! Learn more at www.40mileloop.org and www.theintertwine.org.

November 15th, 6:30-8:00pm

Kaiser Permanente Building
500 NE Multnomah St, Ste. 100
Portland, OR 97232

Please **RSVP** (and direct any questions) to Aaron Brown at aaron@theintertwine.org.

See you there!
