[illegible]

An aerial photograph of a city street, likely in New York City, showing a grid of streets and buildings. The word "BROADWAY" is written vertically in large, yellow, sans-serif capital letters across the center of the image. The street below the text is wide and appears to be a major thoroughfare. To the left of the text, there are several smaller streets and buildings. To the right, there are more buildings and a large, dark, rectangular area that might be a park or a large building. The overall scene is a high-angle view of an urban environment.

An aerial photograph of a road intersection. A red line is drawn across the image, likely indicating a lane boundary or a specific area of interest. The road is paved and has white lane markings. There are some vehicles visible on the road, and a building is partially visible on the right side.
