Re: **Parking and Operational Changes on SW Alder Street between SW 16th and 17th avenues.**

To Southwest Portland Residents, Tenants, and Property Owners:

PBOT is proposing a change to how SW Alder Street operates between SW 16th and 17th avenues. An improved bike lane will connect people using north-south bikeways in Goose Hollow (see image on the other side). This change will require removing parking on one side of SW Alder Street between SW 16th and 17th avenues.

The SW Alder Street improvement will provide a low-traffic, low-speed bikeway connection between the Goose Hollow and Northwest District neighborhoods. The project was on hold due to development in the area, particularly new building construction on the corner of SW Alder Street and SW 17th Avenue that is now complete.

The project is in design with construction tentatively scheduled for summer 2026. Please visit the project website and reach out to me directly with feedback or questions.
